

## To The Public

Owing to the recent rapid growth of our business, it has become necessary to increase both facilities and capital; this has been done. Mr. David Eccles, M. S. Browning and associates have purchased the majority of the stock formerly issued and have increased the capital to \$500,000. Additional capital will be forthcoming as the growth of the business requires it.

Mr. Jos. F. Burton is General Manager, and is known as one of the best posted Implement and Vehicle men in the West. For the past four years he has been prominently connected with the Salt Lake Hardware Co., and his many friends will doubtless be pleased to learn of his "return to his first love"—the Implement business.

Mr. H. S. Hutchins will act in the capacity of Mr. Burton's assistant, while Mr. A. J. Colt has been induced to remain as Secretary and Treasurer.

We hold many valuable agencies, and, from time to time, others will be added, as conditions warrant it. In fact it is our aim to have better goods for the money than can be obtained from any other source.

We solicit your patronage, and assure you proper treatment.

Yours very truly,

UTAH IMPLEMENT-VEHICLE CO.
